Dear City Clerk:

Annual dues for the Kentucky Municipal Clerks Association are due in January each year. Dues are \$40.00 for each Full Member. A Full Member is defined as any appointed or elected City Clerk in any city in the Commonwealth of Kentucky as stated in KRS 83A.085 or duly-appointed Deputy Clerk, Assistant Clerk, Clerk of the Council, or other municipal employee performing or contributing to the performance of any duties of a City Clerk as outlined by statute or ordinance.

Dues for an Associate Member are \$10.00. An Associate Member is defined as any former active member who, because of retirement or other reason, wishes to continue affiliation with the Association.

In addition to the above dues, the Board previously voted to seek an additional \$5.00 from each full member for the education fund. This fund is used for Kentucky Municipal Clerks Institute scholarships as well as special education programs.

This professional organization offers many benefits to its members including schools, seminars, informational mailings, brochures, etc. In addition, the president of each chapter organization serves as a mentor for that chapter. This mentor is pledged to help local clerks with problems, contact names, phone numbers and information or technical assistance sources whenever possible. Membership includes access to the Kentucky Municipal Clerks web page and Facebook page.

Please complete the membership application in its entirety and return it to me with the appropriate membership fee. Please be sure to include the name of your Regional Chapter as they receive reimbursement from the State Association for their paid members. We are happy to have you as a member of our state organization.

Sincerely,
Bethany Cooper, Treasurer
Kentucky Municipal Clerks Association
